Re: **Authorization under the Alaska Discharge Elimination System (APDES) General Permit AKG332000 – Facilities Related to Oil and Gas Exploration, Production, and Development in the North Slope Borough**

Dear Ms. Imm:

The Alaska Department of Environmental Conservation (DEC), Wastewater Discharge Authorization Program (WDAP) is issuing authorization **AKG332053– ASRC Exploration, LLC, Placer Well #3**, in response to a Notice of Intent (NOI) dated January 23, 2019 for the following discharge:

- Discharge 006 – Industrial Stormwater

This APDES authorization becomes effective on February 6, 2019. All correspondence with the Department regarding this authorization must include a reference to **AKG332053**.

A copy of this authorization has been provided to the DEC Compliance and Enforcement Program's (CEP) APDES Data Section. A team member from CEP can provide you with copies of the appropriate spill report and violation notification forms if requested. These forms may also be found in the back of the Permit or online.

As of January 1, 2018 Phase I of the eReporting Rule is in effect for this authorization and all DMRs must be submitted electronically through Net DMR per Permit Section 2.10.3.1. Deliverables required by the permit that cannot be entered directly into the NetDMR system can be included as attachments. However, the NetDMR system is not currently intended to receive attachments that could require action or immediate review by DEC until implementation of Phase II of the eReporting Rule. Therefore, other submittal requirements including but not limited to Annual Reports, Notice of Intent, Notice of Termination, Delegation of Authority, Permit Transfers and Name Change Requests, are still required to be sent to the following address or email:
